

Investing for Success

Under this agreement for 2017

Doomadgee State School will receive

\$359,025

This funding will be used to

- Improve “A culture that promotes learning” in Doomadgee SS (reference Domain 3 of the National School improvement Tool) primarily through school wide introduction of Positive Behaviours for Learning and embedding of the “Doomadgee Way”.
- Improve attendance for all students to be greater than “like schools” for 2017.

Our initiatives include

One of key school priorities for 2017 is to improve our school culture through our values, “The Doomadgee Way” and the implementation of Positive behaviour for Learning in 2017. The initiatives we will use to meet targets include the following:

- Employing a Teaching and Learning Coach – Classroom Management to manage the implementation of PBL.
- Employing five Indigenous staff members to form a Behaviour Management Team to work alongside the T&L Coach. This group will support the coach to implement PBL across the school and involve the local community.
- Employ a HoD to manage and support the alternative class in 2017.

Our school will improve student outcomes by

- The implementation of PBL will lead to the development of consistent behaviour management practices across the school, greater input from our community into decision making around processes and clarity of understanding in our day to day management of student and staff behaviour. To employ all staff needed for this program the costs are: Behaviour management team - \$180,000. T&L Coach paid at a Deputy Principal level \$113,000.
- To successfully improve the behaviour and learning outcomes for the cohort in the alternative program the costs are: contribution to HOD salary \$66,025.
