

DOOMADGEE STATE SCHOOL

ANNUAL IMPROVEMENT PLAN 2026

**Every child, every day.
That's the Doomadgee Way.**

Our school values:

- we look after everyone and everything
- we speak kindly and act in kind ways
- we keep everyone safe
- we always try our best

School Priority

1

Staff working together to build a strong learning culture where all students feel supported to learn and do their best.

School Priority

2

School and community working together to support our students and their future.

In 2026, we will:

- Teach reading in every classroom
- Support students who need extra help
- Use positive behaviour systems so classrooms are calm
- Help teachers plan strong lessons together
- Work closely with families and Elders
- Create a School Advisory Group with community members
- Work with training providers and businesses to help older students plan for jobs, training or further school.

**Success is strong learning,
strong culture and strong futures
for every Doomadgee student.**
